Premium Hot Air Balloon/Spinners

Our **Premium** Hot Air Balloon/Spinners spin easily in a light breeze to add color and motion to your festive outdoor areas. The six panels are silk-screened with the school logo and the tail has alternating school colors. The spinner has a fiberglass frame, measures 17 inches from the top to the bottom of the basket and is about 24 inches in diameter. The tail extends another 24 inches. Tools are not required for assembly.

Premium, Die Cut Collegiate Spatula

Our die cut spatula is made of heavy duty stainless steel. The school logo is die cut out of the spatula face and the handle is colorfully printed with the school name and/or graphics. The blade is tapered at the front to allow for easy pick up and the side is serrated for quick cutting. It comes with the all important bottle opener at the top of the spatula blade. Works great and looks even better hanging from your grill.

Barrel Wind Chimes

Hear the subtle tones from our collegiate windchime. It measures 40 inches from the top ring to the bottom of the wind stirrer. The colorful barrel displays the college logo and team colors and the six anodized aluminum chimes resonate beautifully in a gentle breeze. Root on your favorite team as the chime plays in the background. Looks great on a patio, deck or porch.

Premium Car Top Flag Pole - The BEAST

The next evolution of the car flag is now ready for the big time. Display your college flag using this well engineered new car top flag pole. This pole will display a flag that measures 2' x 3'. It also works at night with LEDs built into the top of the pole that use current from your car lighter. The pole sets up easily and is secured by four suction cups and four adjustable straps that fit inside your car window.

Please refer to the Table of Contents on page 20
